A Sub-Committee of the Mayor's Blue Ribbon Committee on Building-Reuse met on September 14, at 7:30 p.m. at City Hall in the City Manger's Conference Room.

Present were State Senator Martha Fuller Clark. City Council Representative Ken Smith. Also present were public representatives Heather Hurtt, Beth Shepard-Rabadam and Tom Heany.

These guidelines would be applicable to the currently selected properties as well as any future properties that would need analysis.
- Members developed an initial draft of guiding principles that would apply to retention of city owned property and ownership by donation or acquisition. See attached draft.
- Members also discussed that any specific criteria for disposition of city owned property through sale or lease would be integrated into the current planning board matrix and edited at a future work session

The meeting ended at 9pm.
