

CITY OF PORTSMOUTH Community Input Session on Recreation Needs

JUNE 16, 2009

6:30 – 8:30 p.m.

PORTSMOUTH HIGH SCHOOL, LITTLE THEATER

Meeting Purpose:

To obtain public input and ideas on future community needs and desires for recreational facilities and programs, and assist in carrying out a Comprehensive Recreation Needs Study.

The Recreation Board invites you to answer some important questions:

- What's your vision for the recreational facilities, programs and services you think the City should provide in the future?
 - What recreational opportunities do we want to provide for youth? For adults?
 - What type of additional or enhanced outdoor recreation facilities do we need and want? Ball fields? Tennis courts? Basketball courts? Skateboard facilities? Pool/aquatic facilities?
 - What indoor recreation facilities do we want to provide? (Courts? Physical fitness equipment and services? Table sports? Pool/aquatic facilities?)
