

Neighborhood Meeting with NHDOT re Maplewood Avenue Bridge Project

New Franklin School on June 4th at 6 PM

At the request of the neighborhood in the Cutts Avenue area, staff has arranged for a meeting between the impacted neighborhoods and the NHDOT project manager for the Maplewood Bridge replacement project. The meeting will be at New Franklin School on June 4th at 6 PM.

The replacement of the Maplewood Avenue Bridge over Route 1 Bypass (NHDOT Project 13455C), has already begun with the movement of utility lines in the area of the bridge. The expected date for the old bridge to be taken out of service is August 1, 2014. The planned project completion date is October 23, 2015.
