McIntyre Public Input Blue Ribbon Steering Committee – Charge (Appointed and Charged - 1-16-2018)

Guided by the City Council's Public Input Process, the 7 member Steering Committee's charge is to sponsor, oversee and implement a public input process in coordination with the City staff; second, assemble the priorities and principles resulting from the process and report back to the City Council. The input will be used in the crafting of successful application to the National Park Service to transfer of the property from the General Services Administration (GSA) to the City under the Historic Monument Program. The Committee's work should be completed by April 9, 2018.
