# FIELDS CARPENTRY

## Proposal

Fields Carpentry will build and install (5) large bins to house garbage and recycling bins at the fence of the drive at 180 Middle Street

- Units to be built to match the look of the image provided by the property manager (low shed with doors on front and lid for top access)
- All pressure treated framing of walls and floor -shiplap pine on walls to match color of existing fence
- Azek (PVC) lid hinged
- All applicable hardware to be black, painted, exterior hardware
