Legislative update

Jim, Merrill along with Bernstein Shur staff members presented legislative update. Teresa Rosenberger presented discussion with house speaker, detailing education funding bills, process of bill presentation, has not had any discussion with senate. Discussion on retained bills with House speaker, and upcoming education funding bills, appeared that the discussion would be had on adequacy not the formula.

Kathy Fox states she met with house education funding chair, does not expect action on education funding changes, expects discussion on free and reduced meals funding, expect discussion and action on non-education funding matters.

Merrill discussed remote meeting possible changes, lobbying and state funding bills, plans for addressing 2022 bills

Paul Deschaine, Newmarket discussed "Reaching Higher" group -- their positions align with ours and whether we should reach out to them, discussion held on the group's goals, Merrill will reach out to group and an agenda item for next meeting.

Coalition communications:

Merrill updated on ongoing efforts, strategy, possible issue survey, upcoming joint board meeting schedule of both joint and full board, agenda for upcoming meetings. Merrill will propose dates for upcoming meetings.

Meeting adjourned at 3:09 p.m.
