

Mr. Ryan Lent  
The Puddle Dock Restaurant  
66 Marcy Street  
Portsmouth, NH 03801

December 2, 2022

Dear Ryan,

This letter will serve as support for your project to expand your back patio with outside bar on our property at the above address. The plans drawn up by McHenry Architects were reviewed by myself, Larry Yerdon and the chair of the Properties Committee. All agree this is an excellent use and fit for that area of our campus. The proposed improvements have very little visual impact on Marcy Street. The impacts to our campus are limited to an area with an existing tenant patio and our public restrooms. We also support the removal of the awning as an improvement to this area.

Thank you,

A handwritten signature in dark blue ink, appearing to read "Rodney D. Rowland". The signature is fluid and cursive.
