Dear Ms. Zendt,

This is a quick note in support of Margot & Ned Thompson's request for an Urbanized Shoreland Exemption. I have know them for many years and their property clearly visible to me across the water from mine at 7,9, & 15 Pickering Avenue. I hope this process can be carried expeditiously as they have been trying to this project for a considerable time and at considerable cost. Thank you for your consideration. I am happy to discuss this further if you have any questions.
