

You are invited to participate in a series of discussions about Places to Live in Portsmouth

“What are the housing needs in our community, and what can be done to address them to make Portsmouth the best place to live for everyone?”

Choices in places to live is a pressing challenge. In partnership with the City of Portsmouth, Portsmouth Listens will lead a series of citizen study circles to explore what the various needs are for housing, and to develop recommendations for the City to implement.

We invite you to be part of this, to learn and collaborate with others to determine what might be possible in the future.

Join us for the kick-off event, **Housing 101**, on Thursday, January 11th at City Hall at 6:30pm. Study circles then meet once a week for four weeks.
