---

To whom it may concern:

We received an abutter notice regarding 1 Rockaway Street. My wife and I live at 1246 South St. We have no objections or concerns about the owners' request for a variance so that they can build an addition that reduces their front yard. We don't know the owners. It's a very quiet road, so the shorter distance to the proposed structure should not have any negative consequences.

Sincerely,

Frederick Calcinari
