All,

Below is the action that was taken on the solar panel proposed amendments last week. We will have printed copies of this at your places tonight.

1. Proposed Amendment Relative to Solar Panels – Moved to refer to the Planning Board for recommendations amendments to Chapter 10, Article 6, Section 10.633.20 by adding a new a new numbered paragraph 28 “Solar Energy Panels flush mounted to rooftops of existing structures which do not require other alterations to existing structures” and by adding a new numbered paragraph 29 “Accessory Elements to Solar Energy Panels which do not require other alternations to existing structures.”

On a unanimous roll call 8-0, voted to request the Planning Board have a Work Session with the Historic District Commission on this matter and come back with recommendations to the City Council.

On a unanimous roll call 8-0, voted to pass main motion as amended.
