

Outdoor Dining Abutter Approval Form
Approved by City Council February 20, 2024

On February 20, 2024, the Portsmouth City Council approved the extension of the outdoor dining program for 2024. As part of that approval, the City Council required that if an applicant proposes utilization of area beyond the extended boundaries of their storefront and into parking, street, or sidewalk area in-front of abutting businesses – they must first provide abutter consent for use of such spaces.

As an affected abutter – you are requested to complete the following:

The business located at _____ (address) operated by

_____ (name of business owner) is proposing the utilization

_____ (parking, street, or sidewalk) space directly in front of my

_____ (name of abutter business) business located at
_____ (address).

I approve ____ use of this space

I disapprove ____ use of this space.
