

Existing conditions

Proposed new wood door, similar to the existing door.

Proposed side lights, similar to the existing

SECURITY

Built-in keyed deadbolt secures the door to the frame. Choose laminated glass for added security. Doors with laminated glass include a 3-point lock built into the top, middle and bottom of the frame and shatter-resistant laminated glass.

Note: Doors with laminated glass are not compatible with an insect screen.

PERFORMANCE

Thick aluminum frame (1 1/2") with reinforced corners helps the door stay square over time for long-lasting smooth operation.

Premium double-layer weatherstrip provides added energy efficiency.

SmoothControl Plus™ close system performed better in wind durability testing.

INSTALLATION

See page 16 for details

10 SERIES FULLVIEW INTERCHANGEABLE: 10FV

*Hardware sold separately.

**Oil Rubbed Bronze is a "living" finish that will change with time and use.

Printing limitations prevent exact color duplication. See your Andersen supplier for actual finish sample.

10 Series Fullview Interchangeable storm door in black.

VENTILATION

Our Innovative Quick Change System allows you to go from full ventilation with our SpineLoc® Insect Screen to full glass in less than a minute with a simple flip of the handle.

RELEASE

FLIP

SWITCH

Carefully store the panel when not in use.

OPERATION

For advanced operation, this door includes our new SmoothControl Plus™ Close System. The built-in dual closer system allows for more consistent latching and a smoother close motion. It also has an easy-to-use hold-open feature and simple close speed adjustment.

NEW!

SMOOTH CONTROL+™

CLOSE SYSTEM

- 50% stronger than standard dual closers*
- Commercial-grade steel closer arm
- More consistent latch
- Easy to use hold-open feature
- Simple close speed adjustment
