Subject: Re: 64 Bridge

Hi Peter, yes, due to another delay from Eversource (we only just received the updated conduit plan), we need to postpone until the December meeting.

We will have our updated documents ready to go by the next deadline 11/16.

Have a great day,

Scott,

We didn't get a resubmission for TAC, were you planning on continuing to the December meeting? If so, can you send me an email to that effect?
