The event will go from 6:30 PM to 8:30 PM, with presentations from panelists and time for questions and answers from residents. Any resident in Ward 2 is encouraged to attend; all Portsmouth citizens are welcome.

The following panelists will be attending:

Steven Achilles, Fire Chief  
Robert Merner, Police Chief  
Peter Rice, Director of Public Works

The panelists will do brief presentations and engage in audience Q&A focusing on cooperation between neighborhoods in Ward 2 and City departments. Specific subjects will include Public Works/Capital Improvement in the Ward 2 neighborhoods. While this forum will focus on issues specific to Ward 2, all residents are welcome to attend.
