Dear Bob:

Many thanks. I will proceed accordingly, and, as you say, hopefully we will find a way to make it work.

Beth Dinan e-mailed me out of the blue and has requested that I provide her with a copy of the letter that I sent you. (If I understood her correctly, she learned of its existence through a conversation with Dickie Gamester.) I demurred, at least for the time being, on the basis that according to my understanding the committee members themselves had not yet seen it, and moreover I was reluctant to provide her with a copy unless you were O.K. with it.

Now that the committee members have been provided with copies, do you have any problem with my complying with her request and providing her with a copy?

Thanks.

Duncan MacCallum

Duncan,

By a copy of this I will forward your letter to the members of the Board of Ethics. I had previously advised the Board that you would be seeking the recusal of Joe Onosko.

Although the Board and Mr. Onosko will determine their response to your letter, I offer the following:
