Working Agreement

By this Agreement the School Board, School Administration Unit No. 52, City of Portsmouth, N.H., hereinafter called the Board, and Local #1386 of the American Federation of State, County and Municipal Employees, Council 93, AFL-CIO, hereinafter called the Union, representing all employees covered by this Agreement who are employees of the Portsmouth School District, do hereby reach agreement.

Witnesseth

Whereas the Union established itself as the exclusive representative of the custodial employees of the Portsmouth School Board who are members of the unit and on regular active duty for the Board and enrolled on the Board's payroll, now, therefore, the parties hereto contract and agree with each other as a result of collective bargaining as follows.

Recognition

Whenever used in the Agreement, the word "employee(s)" refers to a person or persons actively and regularly engaged in School Board work or enrolled on the regular payroll of the School Board of the City of Portsmouth, N.H. The Board hereby recognized that the Union is the sole and exclusive representative of the certified AFSCME unit. The Board agrees that it will not discriminate against, intimidate, or coerce employees in the exercise of their rights to bargain collectively through the Union because of their membership therein or their activities on behalf of the Union in accordance with the provisions of Chapter 273-A;5:A, B, C & D (PELRB).

Exclusive Representative

The Board hereby recognizes that the Union is the sole and exclusive representative of the permanent employees of the School Board who are members of the unit for the purpose of bargaining with respect to wages, hours of work and working conditions in accordance with the provisions of Chapter 273-A (PELRB). The Union unreservedly accepts and recognizes the necessity of the School Board to operate within the budget.

Bargaining with Individual Employees

The School Board agrees for itself and any of its authorized agents that it will not bargain with an individual employee on matters pertaining to wages, hours or work, working conditions, and transfers or promotions in accordance with the provisions of Chapter 273-A (PELRB). The Union agrees for itself and its members that no member individually will bargain with the School Board or any of its authorized agents on matters pertaining to wages, hours of work, working conditions, and transfers or promotions.

Management's Rights

It is understood that the School Board shall have the exclusive control of its operation. Nothing in this agreement shall be deemed to limit the School Board in anyway in the exercise of the regular and customary functions of management, including the direction of the working forces, the establishment or methods of operation, the establishment of plans for efficiency, the adoption and maintenance of engineering standards, and the right to select or employ supervisory employees and their assistants, except as specifically and expressly limited by any of the provisions of this agreement.

Union Rights

It shall be the right of the Union to present and process grievances for its members whose wages, working conditions or status of employment are changed as a result of management's exercising the above mentioned rights, whenever such grievances exist in accordance with the provisions of Chapter 273-1:XII (PELRB).

Job Description

It is understood that the School Board will have exclusive control of the writing of new job descriptions. Changes in existing job descriptions must be agreed to by both the School Board and the Union. See example of a job description in Appendix A.

Dues Deduction

Upon the presentation of a signed authorization card by the employee to the Superintendent, the School Board agrees to deduct official dues or representative fees of said Union from the wages of each employee covered by this agreement and pay the total amount of dues collected to AFSCME Council, 93, 8 Beacon Street, Boston, MA 02108, once a month, along with a statement indicating who has paid dues. If employees have no check coming to them, or if their checks are not large enough to satisfy the dues, then no deduction will be made for them. In no case will the School Board attempt to collect fines or assessments for the Union beyond the regular dues.

The Union will keep the School Board informed of the correct name and address of the Treasurer and Stewards of Local #1386, AFSCME.

Probation Period

Whenever the Board hires new employees, these employees shall serve a probationary period. This period will be no less than ninety (90) calendar days, but may be extended up to one hundred and eighty (180) calendar days. Extension of these days must be made by the Facilities Director to the Business Administrator. During this period the employee shall be granted full coverage of the following benefits to which he/she is entitled, as soon as possible from his/her date of hire, carrier permitting.

It is understood that probationary employees are employees at will and may be discharged with or without cause.

Holidays

Regular, full-time employees shall be paid the following legal holidays. Should a holiday fall on a Sunday, it will be celebrated on Monday. Should a holiday fall on a Saturday, the preceding Friday will be considered the holiday. All regular, full-time employees shall be paid for this day. The following shall be designated as holidays.

Holiday pay shall be granted if an employee reports for work on the last regularly scheduled work day prior to the holiday and the first regularly scheduled work day after the holiday, except in the case of sick leave supported by a doctor's note.

Holiday Pay/Overtime

All hours paid on a holiday shall be counted as hours worked when computing overtime.

Holiday Pay/While on Leave

If a holiday occurs while an employee is on paid leave, the employee shall be granted an extra day. This day may be taken at any time during the year with sufficient notice, subject to the approval of the Facilities Director, copies sent to Personnel.

Earned Time

Length of service on the chart below will be measured as of the July 1 prior to the employee's actual date of hire. For example, an employee whose first day of work for the District was September 20, 1998 will be deemed to have completed six years of service for earned time purposes on July 1, 2004. District seniority within the building shall be the determining factor in selection of earned time. Earned Time pay will be based on an employee's regular rate of pay using the following schedule.

All paid earned time taken shall not be counted as hours worked when computing overtime.

EARNED TIME. It is the intent of this policy to explain the provisions and conditions of the Earned Time Program. The program has been created to provide, as equitably as possible, paid time off, to be used at the employee's discretion, while protecting an allotment of time for disability, hospitalization or injury.

Earned time is a combination of vacation and personal absence days. A separate account per year is accumulated for disability time (six days per year).

Earned Time is an alternative approach to the traditional manner of converting absences for vacation, sick leave, interim disability, maternity leave, by combining all these plans into one program. Instead of dividing benefits into a specific number of days for each benefit, Earned Time puts these days together into a single benefit. The exact amount of Earned Time accrued each year will depend on the years of service with the Portsmouth School Department.

Effective the date of this policy, employee's vacation time will be converted to earned time. Employee's sick time balance will be converted to the Disability Bank. Employees will accrue earned time based on the following schedule:

<u>Years of Service</u>	<u>Earned Time</u>	<u>Accrual Rate</u>	
		<u>Disability Bank</u>	<u>Total Combined</u>
After 6 Months	12 days (5 vacation +7 sick)	6	18
1 Year – 5 Years	17 days (10 vacation + 7 sick)	6	23
6 Years – 10 years	22 days (15 vacation + 7 sick)	6	28
11 Years – 15 Years	27 days (20 vacation +7 sick)	6	33
16 Years – 24 Years	32 days (25 vacation + 7 sick)	6	38
25 years and Beyond	37 days (30 vacation + 7 sick)	6	44

Employees Hired after 12/22/14

<u>Years of Service</u>	<u>Earned Time</u>	<u>Accrual Rate</u>	
		<u>Disability Bank</u>	<u>Total Combined</u>
Hire	11 days (5 vacation +6 sick)	6	17
1 Year – 5 Years	16 days (10 vacation + 6 sick)	6	22
6 Years – 10 years	21 days (15 vacation +6 sick)	6	27
11 Years – 15 Years	26 days (20 vacation +6 sick)	6	32
16 Years – Beyond	31 days (25 vacation + 6 sick)	6	37

All absences from regularly scheduled work will be charged to an employee's Earned Time. Exceptions are:

1. Administrative Leave
2. Unpaid leaves of absence
3. After absence due to personal illness/injury for more than three consecutive working days an employee may use his/her Disability Bank, if available.
4. Bereavement Leave
5. Military Leave
6. Worker's Compensation
7. Disciplinary Suspension

Applicable request forms will be completed, signed by the Custodial Supervisor and approved by Facilities Director prior to the use of earned time, whenever possible. Submitted requests for time off shall be answered within ten (10) days of submission.

Employees may use their earned time once they have successfully completed their probationary period.

Accumulated Earned Time may be used for personal illness or accident, immediate family illness or accident, or compelling personal reasons.

All Earned Time payments are computed at the employee's current base rate.

Employees are responsible for the Earned Time balance reflected on their pay stubs. Any errors should be reported immediately.

At separation, any unused earned time days will be cashed out at full value.

Disability Bank

In addition to the original sick leave balance that was transferred to the Disability Bank at the time this program was implemented, days will accumulate at the rate of six (6) days per year (or .5 per month).

The Disability Bank hours are to be used for extended illness, injury, disability related to pregnancy, or hospitalization only. Usage of the Disability Bank commences with the 4th consecutive day of absence from work due to illness or injury. A physician's report must accompany the request to use the Disability Bank Days. Periodic updates from the employee's physician may be required. In the event that an employee is hospitalized or has surgery (this includes day surgery procedures) for something other than a work-related problem, the Disability Bank may be used starting with the first day of hospitalization. Any disability related to pregnancy will be treated like any other medical condition.

An exception to the policy that requires the usage of three (3) Earned Time days before being permitted to access the Disability Bank when the disability is certified by a physician to be the same as for the original use or from the same cause as the original Disability Bank usage.

Return to Work: Following a period of absence due to illness/injury, medical documentation supporting the employee's ability to perform the essential functions of the job is required prior to returning to work.

The use of the Disability Bank for extended illness or injury requires medical documentation and may indicate the need for use of the Family Medical Leave Act and the need to contact the Human Resource Department concerning long-term disability.

Employees hired prior to January 1, 1990, may accumulate Disability Bank days without limitation. Employees hired after January 1, 1990, shall have disability leave bank accumulation limited to 150 days. Upon death of an employee while in the employment of the School Board, the School Board shall pay to his/her spouse or next of kin an amount equal to 100% of the value of his/her accumulated disability bank. Employees hired after July 1, 1996, shall receive no pay out at all for accumulated disability bank either for retirement or termination or death.

Exhaustion of Earned Time/Disability Bank. An employee on an approved absence who has used all Earned Time and Disability Bank days will be placed on leave without pay. If the illness/injury qualifies for FMLA leave benefits will continue for the period of the Family Medical leave. Employees will not accrue earned time while they are on leave without pay status.

Earned Time Accumulation

No employee shall be permitted to accrue in excess of 1.5 times his annual earned time accrual.

Earned Time Notification

Earned Time may be taken at any time during the year with sufficient notice subject to the approval of the Facilities Director.

The School Board agrees to notify each employee, in writing, of accumulated earned time leave days once a year in the month of July.

Earned Time Termination

Upon his/her termination of employment, the School Board shall pay to the employee an amount equal to one hundred percent (100%) of earned time leave earned prior to the date of termination of employment. Upon the death of an employee while in the employment of the School Board, the School Board shall pay to that employee's estate an amount equal to one hundred percent (100%) of earned time leave.

Changing Earned Time to Disability Leave

Employees who are on paid Earned Time who are hospitalized for injury or illness may have their earned time changed to disability leave.

Transfers and Postings

The School Board reserves the right and shall have the right to make transfers primarily on the basis of ability, performance, attitude, and appearance but shall be governed by seniority when equal qualifications are present.

All employees who are successful candidates for a vacancy or new job will be given a reasonable opportunity to learn that job.

When a question arises as to the proper person having been chosen to fill any job and it cannot be resolved, it will be settled by using the grievance procedure.

All unit vacancies and new jobs that are to be filled shall be posted no later than five (5) days after the School Board has met in regular session after said vacancies or new jobs have occurred.

Custodial Supervisors will keep custodians who are supervised by them informed of any openings or transfers that occur in the Portsmouth School Department.

These vacancies and new jobs shall be posted for five (5) working days in each school to allow employees the opportunity to apply for said position. When a vacancy, as determined by the Superintendent of Schools or a designee occurs, the position will be filled as soon as practicable. After the position is awarded, the name of the person who has been awarded the position shall be posted for five (5) working days. Any candidate who has applied for the posted position may, in writing, request a meeting with the Facilities Director and Human Resources Director to discuss the reason(s) why he/she was not selected. Said meeting should take place no later than five (5) days after the written request has been requested.

The Vice-President and Shop Steward shall receive copies of all unit vacancies and new jobs. If vacancies or new jobs are not to be filled or cannot be filled, the School Board shall notify the Vice-President and the Shop Steward no later than thirty-five (35) work days after the position was posted or if the School Board, prior to posting, decides not to fill said vacancy or new position.

Job Elimination - It is understood that an employee may not bump an employee in a higher job category.

Job Posting

Job posting shall include job specifications, job location, shift and hours, if the job is permanent with a permanent rating. All postings are to be dated, indicating month, day and year.

The above procedure shall be followed in all vacancies whether temporary or permanent.

The School Board agrees that within ten (10) working days of the expiration of the posting period, the name of the successful applicant shall be posted in all of the schools including the following information: Job Location, Shift/hours, the month, day and year of the award.

After an award has been made concerning new jobs and vacancies, the name of the person, job location, shift, and/or hours shall be posted for five (5) working days. This also applies when the School Board goes outside to fill the above-mentioned jobs.

Non-Selection

Employees who apply for new jobs, promotions, transfers and vacancies who are not selected may request a meeting with the Facilities Director and Human Resources Director in writing to discuss reasons for the non-selection. Said meeting shall be held within five (5) working days.

Management Positions

Vacancies in management positions shall be posted in each school to allow employees the opportunity to notify the School Board of their interest in the position.

Disciplinary Procedures

All disciplinary actions shall be applied in a fair manner and shall be consistent with the infraction for which disciplinary action is being applied.

All suspensions and discharges must be in writing with reasons stated and a copy given to the employee and the Vice-President and the Shop Stewards at the time of suspension or discharge.

Custodians may be transferred for cause or when it is determined to be in the best interest of the district. The employee being transferred would replace the least senior person in the school that the custodian is being transferred to. The employee being bumped shall be put in the position vacated because of the transfer.

Disciplinary action shall follow this order:

- B. Written warning
- C. Suspension without pay (five (5) days maximum)
- D. Discharge

However, the above sequence need not be followed if an infraction is sufficiently severe to merit immediate suspension or discharge. An employee may be suspended or discharged without written or verbal warning for the following reasons:

Written reprimands will remain in the employee's personnel file. However, after two (2) years, will not be considered as basis for future discipline.

Suspension Notices

Suspensions will remain in the employee's personnel file. However, after three (3) years, will not be considered as basis for future discipline.

Seniority

An employee's seniority shall commence with his/her date of hire and shall continue for as long as he/she is employed as a custodian. An employee shall not forfeit seniority for absences caused by the following:

- (a) Illness resulting in total/temporary disability due to his/her regular work with the School Board, certified by an affidavit from the worker's compensation carrier.
- (b) Illness not the result of misconduct resulting in total/temporary disability certified by a physician.
- (c) Duty with the Armed Forces.

The School Department will post a seniority list on January 1st of each year.

The preparation and maintenance of the seniority list shall be the responsibility of the school district and is to be made part of this agreement as Appendix B. The Board need not provide health coverage if the employee is already covered under the same plan or a plan with equal benefits. If an employee is found to have dual coverage, the employee must pay back to the Board an amount equal to the premiums paid by the Board during this time.

The union agrees to participate in a City-wide committee to explore health insurance options.

Longevity will begin on the first day of hire and will be paid to the nearest payday after August 1. Longevity is based on years of employment with the School Board in any full-time capacity.

The longevity stipend will increase on July 1, 2023, and July 1, 2024 by the 10-year rolling COLA average, as described in Article 98.
