**RE: Variance Application of Hope for Tomorrow Foundation, Inc.  
315 Banfield Road, Tax Map 266, Lot 5**

Dear Stefanie,

Please forward the following request to the Zoning Board of Adjustment. My client is seeking a postponement of the public hearing on their variance application for 315 Banfield Road to the May 19, 2026 meeting of the Board. I will be away during the last week of April when the current hearing is scheduled, hence the request to postpone.

Sincerely,

Derek R. Durbin, Esq.
