Reconstruction of Second floor porch @ 105 Daniel St. Portsmouth, NH

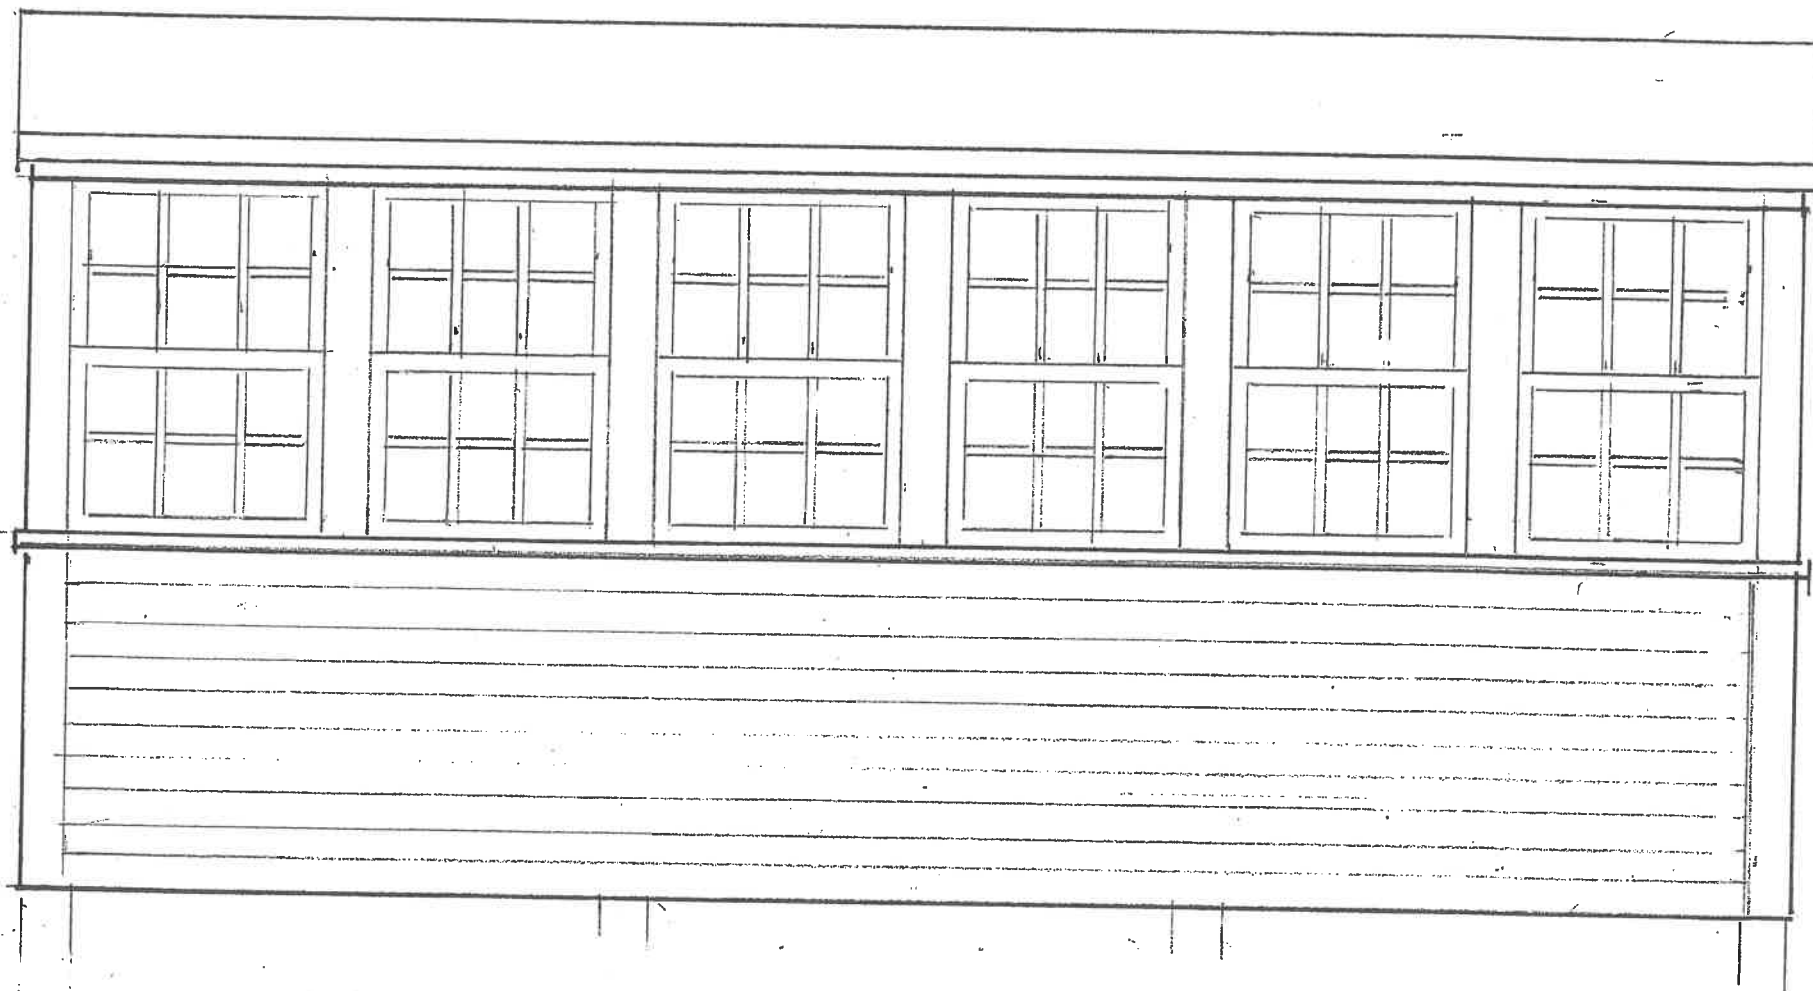

Scope of Work:

The existing porch is to be enclosed with six new double hung windows and insulated to allow the porch area to be used as heated interior space.

The frame of the structure; all posts, beams and joists are to be reinforced or replaced as necessary to properly support the porch. All the existing dimensions of the structure are to remain the same as existing. All the siding and trim will be replaced with new material.

ELEVATION OF SIDE PORCH @ 105 DANIEL ST. PROPOSED
