ADDENDUM #2

City of Portsmouth
Portsmouth, New Hampshire
Department of Public Works

This addendum forms part of the original document marked: Bid#06-13 Fire Station #2 Apparatus Floor.

The following paragraph replaces the original like paragraph in the Invitation to Bid (page 3) of the bid specifications.

This project consists of the covering 5,538 square feet of the existing concrete floor of three contiguous spaces, namely the apparatus floor, the pole room and the turnout gear room with a 'Dur-A-Flex®' 'Hybri Flex™ EB' cementitious urethane based self-leveling seamless flooring system with quartz aggregate broadcast **and shop floor Armor Top topcoat.**

Please acknowledge this addendum within your proposal. Failure to do so may cause a bidder to be disqualified.
