

ADDENDUM NUMBER 1  
Annual Services Contract  
Comprehensive Services for Emergency  
Generator Systems  
RFP # 14-12  
Issued: December 5, 2011

This Addendum forms part of the original document marked: “Annual Services Contract – Comprehensive Services for Emergency Generator Systems” RFP #14-12.

RFP Document - The following items supersede or supplement associated original information listed on Attachment 1: Summary – Emergency Generator Systems

**Generator #27: Department of Public Works - The engine manufacturer is “Ford”.  
The serial and model numbers of the Department of Public Works generator are:  
Serial # 83179-1-07-00 and Model # LSG 8751-6005-A.**

**Generator #28: City Hall- The engine manufacturer is a “Cummins/Marine”.**

**The following question has been asked and answered.**

Question #1 Could you please provide serial and model numbers for the wastewater generators?

**Answer #1 Yes. Page 2 of this addendum lists the serial and model numbers for the wastewater generators. Additionally, all of the information contained on page 2 of this addendum supersedes the wastewater generators information contained in the original Attachment 1: Summary – Emergency Generator Systems. All else remains as is.**

Please acknowledge receipt of this addendum within your proposal, failure to do so may subject a bidder to disqualification.
