BID # 37-17

City Hall Façade Replacement and Addition

Addendum #4

Issued: May 18, 2017

This addendum forms part of the original bid document BID # 37-17 City Hall Façade Replacement and Addition.

Scaffolding engineering design is a “means and methods” item that is under the Contractor’s responsibility.

Scaffolding companies have the capability to provide engineering design along with their specific scaffolding product. The Bidders are directed to:

- Provide a description of their proposed scaffolding design solution.
- Itemize the cost in their base bid for scaffolding and scaffolding engineering cost.

Replace Section 2-A Proposal Form with the **Revised Section 2-A Proposal Form attached.**

Bidders are to acknowledge this addendum with in their bid proposal. Failure to do so may subject a bidder to disqualification.

All other items remain the same.

End

SECTION 2-A
PROPOSAL FORM

REVISED – 05/18/17

Portsmouth, New Hampshire
Department of Public Works

FAÇADE REPLACEMENT & ADDITION – PORTSMOUTH CITY HALL Bid #37-17

CITY OF PORTSMOUTH, N.H.

To the City of Portsmouth, New Hampshire, herein called the Owner.

The undersigned, as Bidder, herein referred to as singular and masculine declares as follows:

1. All interested in the Bid as Principals are named herein.
2. This bid is not made jointly, or in conjunction, cooperation or collusion with any other person, firm, corporation, or other legal entity;
3. No officer, agent or employee of the Owner is directly or indirectly interested in this Bid.
4. The bidder has carefully examined the sites of the proposed work and fully informed and satisfied himself as to the conditions there existing, the character and requirements of the proposed work, the difficulties attendant upon its execution and the accuracy of all estimated quantities stated in this Bid, and the bidder has carefully read and examined the Drawings, Agreement, Specifications and other Contract Documents therein referred to and knows and understands the terms and provisions thereof;
5. The bidder understands that the submission of the bidder's proposal represents all required quantities of, scope of work required and means & methods necessary to complete the scope of work represented on the Drawings, indicated in the Specifications or other Contract Documents.. No additional penalty or increase in contract price toward the Owner will be justified for work reasonably inferred by the Contract Documents; and agrees that, if the Bid is accepted the bidder will contract with the Owner, as provided in the Contract Documents, this Bid Form being part of said Contract Documents, and that the bidder will supply or perform all labor, services, plant, machinery, apparatus, appliances, tools, supplies and all other activities required by the Contract Documents in the manner and within the time therein set forth, and that the bidder will take in full payment therefore the following item prices, to wit:
