Bid #41-08 Maintenance Garage Roof Replacement

Addendum #3

This Addendum forms part of the original document **Bid #41-08 Maintenance Garage Roof Replacement**.

You are directed to make the following changes to the Bid Document:

In Technical Specifications, Section 074100 STANDING SEAM METAL ROOF
ARTICLE 1.1, Add Paragraph M – to read:

Install 6 mil polyethylene vapor barrier directly to existing roof system and duct tape all joints. Fasten 18 gauge Z-channel with 2" X 3.3" X 2" profile direct through existing roof into purlins. Wood Nailer will NOT be installed, insulation will go to roof edge. The 3.3" ISO will be installed between the Z-channels. Install Self-Adhering temporary waterproofing over insulation. Clips will be fastened to the top of the Z-channel. Hat channels will NOT be used.

All else remains unchanged from original bid document.

Please acknowledge receipt of this addendum within your proposal, failure to do so may subject a bidder to disqualification.

END OF ADDENDUM.
