ADDENDUM #1
FOR
City of Portsmouth
Portsmouth, New Hampshire
Bid #42-10
South at Lafayette Intersection Improvements

This Addendum forms part of the original document marked: Bid #42-10 South at Lafayette Intersection Improvements

Under Invitation to Bid, replace the 4th paragraph with the following:

The General Contractor for this project must be **Pre-qualified with NHDOT for Roadwork and/or Signal Work.**

2.1.3 List of Major Materials (Item 616.10X or 616.19X):

- One-way, three-section, black, 12 in polycarbonate signal heads with LED modules, mounted on mast arms with Veped Astro-Bracs, with 5 inch louvered backplate.
- One-way, four-section, black, 12 in polycarbonate signal heads with LED modules, mounted on mast arms with Veped Astro-Bracs, with 5 inch louvered backplate.
- Black (federal color #27038) powder coat painted galvanized-steel mast arm pole, the signal arm lengths shall be as specified on the plans. Mast arm pole shall be manufactured by Union Metal Corp or approved equal.
- Black 8 ft (federal color #27038), powder coat painted galvanized-steel Phaff and Kendall signal pole, model SP 104.
- Black, 12-inch solid LED symbolic bi-modal pedestrian signals, bracket or post top mounted.
- Pedestrian push buttons and signs, Pelco model SE-2037-08 and Pelco Model SF-1018-05, or equal.

NOTE: the following total is incorrect. The following total should be crossed out and changed to \$18,750.00. The unit price of \$62.50 remains as is.

Item # 618	300	Hrs	Police (Traffic Control) \$62.50	\$15,000.00
------------	-----	-----	---	------------------------

Please acknowledge this addendum within your proposal. Failure to do so may cause a bidder to be disqualified.
