

July 2, 2008

City of Portsmouth, New Hampshire
Public Works/Highway Department

Addendum #1

Bid #60-08
Hooklift and Plow System

This addendum forms part of the original document marked Bid #60-08 Hook lift and Plow System.

The original bid specifies two hydraulic systems. The City will consider bid proposals with only one hydraulic system providing that the system will perform the necessary functions required. Bidders are required to indicate within their proposal whether they are proposing one hydraulic system or two hydraulic systems. All else remains as is.

Please acknowledge receipt of this addendum within your proposal, failure to do so may subject a bidder to disqualification.
